## Directions to Christ Lutheran Church:

Any of several routes may be most convenient for you. I recommend using Google maps to get directions to 510 Luther Dr, Georgetown, TX.

From I-35, take exit 260 toward Farm to Market Rd 2243/Leander. Turn west onto FM-2243/Leander Road. After about 0.1 mile, turn left (south) onto Luther Drive. Christ Lutheran will be on left in about ¼ mile. Enter on right side of building into gym foyer.

## Motels/Lodging:

I recommend using hotels.com, priceline.com or alltherooms.com to get the best deal on a convenient place to stay. There are 5 or 6 motels/hotels right in Georgetown. Round Rock and Cedar Park also have reasonably priced motels. I recommend booking your room early. The early Saturday night schedule may allow you to return home that night, saving one night's lodging.

For RVers, Cedar Breaks Park on Lake Georgetown (COE) is very nice and convenient -- just about 5.9 mi from the church. It has electric and water hookups, and a dump station near the exit. Make reservations online thru recreation.gov.

East View RV Ranch, 552 Eastview Dr, Georgetown, TX 78626 (on TX-29 just east of Georgetown) is about 5.9 miles east, and offers full hook-ups. It looks like they accept Passport America cards for 2 night stays. Get info at: <https://www.passportamerica.com/campgrounds/data/2233/East-View-RV-Ranch/1#top>
